Dear Atlantis Homes,

We are writing to compliment the services of Mr. Joe Venable, Sales Manager of Atlantis Homes.

We were referred to your company by a family member, Mr. Branson Smith. During the developing process of our home, we were introduced to Mr. Venable. Once meeting with Mr. Venable, he immediately made us feel safe and secure and in the right place to develop our dream home. With his expertise and true wisdom, he assured us that the Atlantis Company could develop and manufacture our beautiful dream home. To finalize the purchase of our new home, he demonstrated an understanding and genuine knowledge beyond belief when he viewed and reviewed everything in great detail. His suggestions and recommendations were appreciated very much. He made us feel comfortable during the entire process.

Our relationship with Mr. Venable has been very rewarding and we feel Mr. Venable is truly an asset to your organization.

Sincerely,

Bruce K. Smith
