Dear Atlantis Homes,

We are writing on behalf of Mr. Gary Morganstein, Sales representative of Atlantis Homes.

We were referred to Mr. Morganstein by a member of our family, Mr. Branson Smith. As soon as we met him, we felt very comfortable with his warm and courteous greeting. We expressed to him some of our frustrations in searching for a home.

He informed us that he would do everything possible to assist us in purchasing a home. At that time, Mr. Morganstein spent countless hours on our home project which resulted in our beautiful dream home.

During the entire process, Mr. Gary Morganstein was kind, helpful, professional and informative. He is truly an asset to your organization.

Sincerely,

Bruce K. Smith
